

# 8<sup>th</sup> MONGOOS ANNUAL MEETING

& WORKSHOP ON "MODELLING AND OBSERVATIONS IN THE COASTAL MEDITERRANEAN SEA: PHYSICAL AND BIOGEOCHEMICAL PROCESSES"

3-5 December 2019

## Practical Information

You are kindly invited to the 8<sup>th</sup> MONGOOS annual meeting and workshop "Modelling and observations in the coastal Mediterranean Sea: Physical and biogeochemical processes" which will be hosted by the [Istituto Nazionale di Oceanografia e Geofisica Sperimentale](#) (OGS) in Trieste, Italy.

All meals during the meeting will be offered by the host. The meeting does not cover other participants' expenses (hotel, travel, etc.). To register follow this link <https://forms.gle/2LzHpm9ww12VT9TP8>. Abstract (one page max.) must be uploaded to the registration form

## Travel Information

Trieste is located in the northeast corner of Italy, close to the Slovenian border. It is easily reachable by plane, train and automobile. Arriving by plane, one can choose to land at Trieste Airport (formerly Ronchi dei Legionari Airport), Venice Marco Polo Airport, or Treviso Airport. Trains operated by Trenitalia travel frequently between Trieste and major Italian cities. Buses are available for local and regional transport.

- **From Trieste Airport to the city by bus:** The bus stops are located across the street from the airport in the new "Intermodal Hub". Check the display screens in the airport for bus departure times. Bus E51 runs from the airport to Trieste. At the airport, bus tickets can be purchased at the Agenzia Turismo FVG on the ground floor or from the automatic machine at the arrivals hall. The cost of bus tickets (as of May 2019) is: Airport-Trieste Centrale railway station: Euro 4.05. More details can be found on the Trieste Airport website: <https://triesteairport.it/en/airport/in-partenza/come-arrivare-1/in-autobus/collegamenti-diretti/>
- **From Trieste Airport to Trieste by train:** Trieste Airport has recently opened a new train stop at its Intermodal Hub. The trains are run by [Trenitalia](#); fares from the airport to Trieste Centrale depends on the type of train, and the trip takes about half an hour.
- **From Trieste Airport to Trieste by taxi:** Taxis can be hailed outside the airport. Please provide the address of your hotel. The cost of a taxi from Ronchi Airport to the ICTP is around Euro 55, plus a small surcharge for each piece of luggage.
- **From Venice Marco Polo or Treviso airport:** Visitors can reach Trieste from [Venice Marco Polo airport](#) or [Treviso airport](#) by bus and train (look at the [Trenitalia](#) website for train schedules). The Mestre-Venezia airport buses take approximately half an hour from the airport to the train station Venezia Mestre, where passengers switch to trains that run direct to Trieste. Train tickets must be validated at the validating machines before boarding trains; fines for carrying non-validated tickets are high. Another, more convenient and economical option is to take a bus operated by the bus company [FlixBus](#), which departs several times a day from Marco Polo airport direct to Trieste.

- **Shuttle Service to/from Airports:** The private company GoOpti provides transport to/from airports near Trieste (Ronchi; Venice; Treviso; Ljubljana). Please visit the website: <https://www.goopti.com/en/>
- **Reaching Trieste via the motorway:** Take the A4 motorway from Venice-Mestre, or the A23 motorway from Tarvisio-Austria. Follow signs for Sistiana-Strada Costiera, then take route SS14, a panoramic road leading directly to the city centre.
- **Local buses:** Tickets for the bus must be purchased before you board the vehicle; you can purchase these at the main train station in Trieste and at many local news vendors (Tabacchi, marked with a big T). Upon boarding the bus, your ticket must be validated by one of the machines on the bus. Please note that local bus etiquette dictates that bus riders enter the bus through the front or rear doors and exit through the middle doors. The Bus schedule changes depending on the season; "Estivo" means summer, and "Invernale" means winter. A link to the Bus timetable is [here](#).
